

# HKCC Policy Priority Decision Tree

Is this request being forwarded by a Coalition member?  
Is there a member champion to this request?

Yes

No – not a HKCC priority

Is it a policy, system or environmental (PSE) change that will impact people living, working playing or studying in King County?

Yes

No – not a HKCC priority

If requesting HKCC adopt a **pro** position does the PSE work towards or help to achieve \*health equity?

If requesting HKCC adopt an **oppose** position does the PSE create a barrier to \*health equity?

\*health equity arguments should include statements/research of the PSE's impact on POC/vulnerable populations or evidence of community voice/ research

Yes

No – not a HKCC priority

Will HKCC's position and/or involvement be *crucial* to advance health equity as it relates to this proposal?

Yes

No – not a HKCC priority

Is there capacity and motivation within the HKCC workgroup to work on the proposed PSE?  
Reminder: each workgroup can submit no more than three PSE priority areas each year.

Yes -- HKCC priority  
(HKCC lends advocacy and education efforts)

No – not a HKCC priority  
Or

No - but due to political considerations we should place on tier 2 or watch list (meaning watch and see if HE focus grows for update of Coalition support. )

Or

Maybe- place on Tier 2 HKCC list or  
Potentially – but not a HKCC priority at this exact time (watch list)
